

# I am alive through Jesus

music and lyrics Romanas Sabakonis

My life is unworthy cross  
For it has no faith, just empty worries  
And it's too hard for myself to stand on my own  
Oh can you hear me Lord up above?  
Do you feel this hunger down here for love?

Jesus! He's Father's gift for us  
How great is His sacrifice, oh yeah  
Jesus! The answer for my cry  
And He is who keeps me alive

No troubles no discomfort  
So that's no moving, making the time short  
Jesus says to me now - to look at his life  
He has risen up from the dead  
My hardship is treasure up there

Jesus! He's Father's gift for us  
How great is His sacrifice, oh yeah  
Jesus! The answer for my cry  
And He is who keeps me alive

It's time to pray as Francis prayed  
So I am the first to love  
Because when you give, it's when you receive  
Lord, let me sow love

The heaviest cross that took Him to death  
Brings me a new life for love

Jesus! He's Father's gift for us  
How great is His sacrifice, oh yeah  
Jesus! the answer for my cry  
And He is who keeps me alive

Aš gyvas esu per Jėzų  
я живу благодаря Иисусу  
Io vivo grazie a Gesù  
I am alive through Jesus
